Boulder Valley School District  
**SAFE SCHOOLS REGISTRATION ADDENDUM**

**NOTIFICATION OF TEMPORARY REGISTRATION HOLD**

Your student's registration as a student in the Boulder Valley School District may be temporarily held up in order to allow the receiving school time to receive and review disciplinary records from the sending school. State law C.R.S. 22-23-106 (3) (c and l)-provides the school in which he/she wishes to enroll the ability to deny admission if the student has:

- a) Been expelled from any school district during the preceding 12 months: and/or
- b) Engaged in behavior in another school district during the preceding 12 months that is detrimental to the welfare or safety of other pupils or school personnel.

**PURPOSE:**

During the temporary hold, the receiving Boulder Valley School will contact the schools(s) your student attended during the past 12 months to verify that neither of the conditions described above exist. Additionally, previous school personnel may be able to alert the receiving school to ways in which we may best serve your student.

It is not the intent of the receiving school or the district to cast doubt upon the suitability of your student to perform academically or behaviorally as a pupil in the receiving school. The process assists the receiving school in remaining within parameters described in district policy and state law. Further, it reduces the probability of inappropriate speculation as to the nature of the student's disciplinary record at a previous school.

**DECLARATION:**

**AS THE PARENT OR GUARDIAN OF THE ENROLLING STUDENT, YOU ARE REQUESTED TO DECLARE THE STUDENT'S STATUS AT HIS/HER PREVIOUS SCHOOL (PLEASE CHECK ALL THAT APPLY).**
