**34** Honors Courses

## Exceptional Faculty

Teachers are vetted through a rigorous hiring process and supported over their Peak to Peak careers by the school's Center for Professional Development. Teachers and staff members are supported by a strong induction program, peer mentoring, grade level teams, professional development workshops, and more.

## State Accreditation

Accreditation through the state of Colorado provides a mark of quality and highlights the school's dedication to continuous improvement. Peak to Peak is consistently rated at the highest performance rating at all three school levels.

## Student Performance

Our K-12 students are frequently recognized for their academic, athletic, and individual accomplishments. High School achievement scores consistently rank among the best in the state. Each year, seniors are recognized as AP, National Merit, and Boettcher Scholars.

## World Class Facilities

The 183,000 square foot school includes a College Planning and Counseling Center, Performing Arts Complex, Library Media Center, technology labs, 3 gymnasiums, 7 science labs, and large cafeteria. The campus includes ball fields, a six-lane track, a turf field, and tennis courts. An organic garden provides produce for the kitchen.

## Athletic & Creative Passions

The athletic program provides students with the opportunity to participate on a team, take leadership roles, and develop their athletic talents. Extracurricular activities and competitions are sponsored at the elementary, middle, and high school level. These programs provide diverse opportunities for growth and development.

## Involved Community

At Peak to Peak, students, teachers, staff, volunteers, and families work together. Through leadership, volunteering, supporting their students, and/or supporting the school financially, our community member's contributions power Peak to Peak's success.

**In 2022:**

**3%** Two-Year College Enrollment

**2%** Gap Year or Full-Time Employment

## Educational Philosophy

Peak to Peak students work to demonstrate a mastery of knowledge and skills and are challenged through appropriate placement in each subject area. Peak to Peak is small enough to ensure that each student is known and valued, but large enough to provide a variety of academic, athletic, and extracurricular activities.
