Peak To Peak Charter Schools, Inc:

Enclosed are the original and one copy of the 2018 Exempt Organization return, as follows...

2018 Form 990

Each original should be dated, signed and filed in accordance with the filing instructions. The copy should be retained for your files.

Be sure to review the returns prior to signing as you have final responsibility for all information included in the returns. If there is anything on the return you do not understand, ask us to explain. We want you to be satisfied with the accuracy of your return before filing. Copies of each return should be retained for your files.

We are also enclosing any documents you gave us to assist in the preparation of the returns. We do not maintain original client documents in our files.

Federal income tax law states that it is the taxpayer's responsibility to maintain tax-related documents, including copies of previously filed tax returns, for a sufficient period of time. Generally, the Internal Revenue Code statute of limitations period, in which items on a tax return can be questioned, is three years from the date the return is filed. Many states have a four year statute of limitations.

We generally recommend that you keep supporting documentation for a minimum of six years and a copy of the actual tax return indefinitely. We believe keeping these supporting documents for a six-year period will protect you from most circumstances, including longer statute of limitation periods that some state or other regulatory agencies may impose. At the same time, we believe this policy will save you from paying unnecessary storage costs.

As a tax return preparer, we are required to give you a copy of your tax return when it is completed and maintain a copy in our files for a minimum of three years. We have and will continue to comply with this federally mandated requirement. If you have any specific questions, please feel free to contact us.

If we have provided you tax advice in connection with the preparation of your u.s. Federal tax return and associated tax planning services, this advice is not intended or written to be used by any taxpayer for the purpose of avoiding penalties that may be imposed on the taxpayer by the Internal Revenue Service, and it cannot be used by any taxpayer for such purpose.

For public inspection purposes, organizations are required to provide a copy of their annual returns (Form 990 and all filed schedules) for the last three years and the exemption application (Form 1023 or 1024) to anyone who requests them. However, the names and addresses of the donors on the schedule b may be omitted from the Public Inspection copy. For your convenience, we have enclosed a public inspection copy of your return. Please sign this copy and retain for your records.

We value our relationship with you and thank you for your trust and confidence in allowing us to serve you. If you have any questions regarding the returns or any other services that we can assist you with, please do not hesitate to contact us.

Regards,
